Hello, Oak Bluff Residents!

In less than three months, we have accomplished much as a board. We had a successful audit, Oak Bluff signs were relocated, lots cleared, a FB page was created for HOA business, and a website was designed to be user-friendly so we could access our documents and HOA checkbook. Transparency was our #1 goal.

With that said, I will be stepping down as President. Zoe Messenger will be the Oak Bluff President. Zoe is a longtime resident of Oak Bluff and will be very valuable to our neighborhood. Ron is very efficient as your treasurer. I hope that, as long as I am an HOA member and resident, they will be in these positions for a long time. Tina will be appointed secretary.

Have a great weekend!

Paul Day
President,
Oak Bluff HOA @ Daytona Beach
